Sir:

In response to the Notice of Allowance mailed April 6, 2005, please enter the following correct Declaration and Power of Attorney for Patent Application. The issue fee was paid on July 6, 2005.

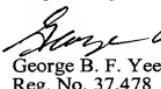

The previous Declaration in this matter submitted on August 13, 2001, was defective. The previous Declaration was inadvertently submitted without reference to the foreign priority documents from which this application claims priority. It is noted, however, that the filing receipt correctly identifies the priority claim.

Applicants submit herewith a new Declaration and a Supplemental Application Data Sheet.

Applicants hereby request that the Declaration be entered and made part of the file.

Respectfully submitted,
